(Description of Information sought (upto 500 characters))

<p>Prayer or Relief Sought</p> <p>Respected Sir,</p> <p>Appellant emphasise his first appeal on certain grounds as mentioned below :-</p> <ol style="list-style-type: none"> Appellant filed an RTI (NERLD/R/E/22/00116) on 28-05-2022. Appellant received a reply from respected CPIO on 13-06-2022. For point number 1 CPIO states that such type of information is not maintained in this office in any format, here Appellant submits that :- <ol style="list-style-type: none"> Very few seats are allotted for VIP quota in every train. Railways also admitted in their policy that the documents related to VIP quota are preserved for 3 months only.

- c) The VIP quota is not allotted orally, proper orders are passed for how many VIP seats are allotted per day in each train.
 - d) In point number 1 appellant only sought the number of seats allotted or number of passengers travelled under VIP Quota in the month of April 2022.
 - e) So to say that such information is not kept in any format obstructs the flow of information.
2. For the rest of the points i.e. 2, 3, 4, appellant does not want to go for an appeal.

Therefore, the appellant requests the First Appellate Authority to direct the respected CPIO to provide the information sought in point no. 1.

Thanking You
